Jestes Incorporated	10	CHNGE of the JESTES Coalition	The CHNGE Initiative of the JESTES Coalition empowers youth through the IMPACT Peer Mentoring Program, serving 50+ middle and elementary school students with support from 15 trained peer mentors.
Playful Insights	10	Thrive Beyond Trauma	Thrive Beyond Trauma will provide non-traditional counseling services, including Play Therapy and EMDR, to children and families in DFCS Regions 10 and 11. The program will focus on stabilizing placement.
Battered Womens Shelter Inc	11	Supporting Families in South Central Georgia	To enhance prevention and supportive services increasing awareness of trauma informed practices & how to decrease the impact of trauma families experience in underserved areas in rural South Georgia.
Family Connection Communities in Schools of Berrien County Inc	11	Berrien PAT Project	Parents as Teachers will bring trained educators into Berrien County homes to support early learning, strengthen families, and prevent neglect by providing screenings, resources, and guidance.
Savannah Chatham County Public School system: Lee Roy Myers Middle School	12	Every Student, Every Heart	Every Student, Every Heart: A Whole-School SEL Approach" is a schoolwide program that delivers social-emotional learning (SEL) through integrated classroom instruction, schoolwide activities, and family engagement.
Action Pact - Building Futures in Healthcare	12	Ready2CONNECT - Building Futures in Healthcare	Our Big Idea expands our career development program by offering workforce certification training opportunities in the high demand healthcare sector. Helping job seekers achieve financial independence.
Freedom Through Recovery-Susan Ford Recovery Community Organization	12	Seeds of Reunion	Seeds of Reunion is a family-strengthening initiative designed to prevent child abuse and neglect by combining peer support, parenting education, and financial literacy training. Through bi-weekly group sessions, caregivers will share experiences, build supportive networks, and learn positive parenting and stress management strategies that promote safe, nurturing home environments.
Xcel Mobile Training Unit - Xcel Strategies	12	Xcel Mobile Training Unit	Xcel Strategies, Inc. is launching a "Power Up" initiative to equip its Mobile Training Unit with a 10,000-watt generator and 60-gallon air compressor to provide full electrical and pneumatic power.
Think Big Youth Organization	12	Quality Out of School Time (OST) Programming	Think Big's big idea is to increase access to Out of School Time programming which includes academic enrichment, mentorship, and workforce development components.
Lekotek Of Georgia Inc	13	Lekotek Community Programming	All families can discover all that Atlanta has to offer as any other family would. From rafting to the orchestra, it is important that our families have the opportunity to enjoy these experiences. We offer community-based events where, with the expertise of Lekotek leaders and the use of modifications —like adapted fishing poles, bowling ramps or wheelchair lifts at splash pads—families can fully enjoy each outing. Lekotek's accessible Easter egg hunt includes eggs with lights for children who have visual impairments and eggs velcroed to a wall so a child with a physical disability who uses a wheelchair, can reach them.
Furthering Fathering Corporation	13	Empower the Block	Empower the Block will serve fathers and parents through capacity building, trauma informed care, entrepreneurship and financial literacy building stability, and lasting community transformation.
Mothers Advocacy Project Inc	13	Mothers Advocacy Project Training Center	This center will be the hub where licensed and/or license eligible clinicians, family advocates, and community partners are trained in our Trauma Assimilation and Social Stability (TASS) Model.
Youth Empowerment Through Learning Leading And Serving Inc	13	Whole Child, Whole Family, & Whole Community Learning & Changemaking	Our Big Idea supports 10 Family Nights where youth & caregivers learn alongside each other. Youth, families & neighborhoods will rise together, gain skills, & share strengths as a connected community.
Jarrad D Blade Foundation Inc	13	J. Blade Ranch Community Resilience Hub	The J. Blade Ranch Community Resilience Hub helps families grow food, heal from trauma, earn income and connect — offering a pathway to stability through Georgia's three Opportunities of Hope.
The STEAM Generation	13	Path to Kindergarten (Ptok)	PtOK is an innovative initiative focused on bridging educational disparities through early childhood STEAM education. The project targets 4-5 year-olds living in under-resourced communities.
Cobb Collaborative Inc	13	BRB: Building Resilience with The Basics	Using evidence-based frameworks, we'll integrate trauma-informed practices into our early learning programs for families in Cobb County with children 0-5, building family resilience to prevent ACEs.
Kate's Club	14	Disrupting the Georgia Grief to Prison Pipeline	We will provide grief support to the estimated 15,000 bereaved youth in the Georgia Juvenile Justice System. We will offer court-based grief support groups for youth and their families.
Sensory Seasons Initiative	14	Sensory seasons initiative	The Sensory Seasons Project initiative provides seasonal sensory kits and parent resource support to children with autism and their families. The kits help students regulate their emotions, focus in the classroom, and reduce stress at home, while resource guides connect parents with tools and services.
I Am Fly, LLC	14	I AM Fly Youth Empowerment and Elevation Project	We provide mentorship, coaching, and multimedia training for youth in sports, creative arts, technology, public speaking, and healthy nutrition. We prepare youth for college and/or entrepreneurship.
International Center for Adolescents in Need	14	CBT Skills Project: Support for Families	The Spring 2025 CBT Skills Project will deliver tiered youth mental health and mentoring supports with integrated family engagement. We will offer family therapy and a new parent series.
Boyce Ansley School	14	Restorative Hope: Trauma-Informed Learning	The Boyce L. Ansley School fosters a trauma-informed, restorative learning community that nurtures healing, stability, and academic success for children experiencing homelessness.
Comfort Arms	14	Supporting wrap around services and feed Unhoused	We are committed to changing lives—one meal, one smile, one act of kindness at a time. Founded in 2021, our mission is to nourish the minds, bodies, hearts, and souls of poor children and adults throughout Georgia. Whether it's providing hot meals, hygiene kits, or hope for a better tomorrow, we're here to serve. Work with us to expand our impact, feed more families, and bring comfort where it's needed most.
Pittburg Collaborative, Inc	14	Defeating Food Insecurity	Pittsburgh Collaborative is working to combat food insecurity in an historically underserved African American community. We have installed a free grocery store inside a TITLE I elementary school.
The Master Playbook	14	Future Millionaire Money Camp: Always-On Edition	The Master Playbook's "Big Idea" is to launch an Always-On Edition of the Future Millionaire Money Camp for Kids & Teens, a year-round financial literacy program that equips Georgia families with the tools to build economic stability and long-term resilience. This project will deliver structured, age-appropriate financial education to youth ages 10-18 and their parents, using in-person workshops, virtual sessions, and take-home resources.
