Presentation by Mary Havick, DHS Deputy Commissioner, Child Welfare

- Realistic Job Preview Day
 - Hosted two in-person realistic job preview days which give individuals a view of what the job looks like day to day
- Technology Modernization – Georgia Communicare, Caregiver Connection
 - Launching app for Communicare which will better connect child welfare staff, Court Appointed Special Advocates (CASAs), foster parents, and parents.
 - Caregiver Connection project will digitize the foster parent onboarding process
- National Foster Care Month and the Virtual Foster Caregiver of the Year Celebration
 - May is National Foster Care Awareness Month
 - Recognizing 14 Foster Caregivers on May 22nd in virtual celebration
- There's No Place Like Home
 - Every year, a cohort of children & youth is selected who have an identified resource for adoption and work towards finalization in that year
 - Agency is meeting goals established each year towards finalization of adoptions

Presentation by John Hallman, DHS Deputy Commissioner, Office of Family Independence

- Intelligence Task Routing
 - New system would prioritize cases based on current needs and help caseworkers work on the most pressing work
 - Implementation will start in Fall of 2024
- Professional Development Program
 - Program will formalize the knowledge transfer between supervisor to case workers
- Library Kiosk Project

- Project just concluded that placed dedicated Chromebook kiosks that provide access to Gateway in 400 libraries throughout Georgia

Presentation by Sreeji Vijayan, Chief Information Officer and Deputy Commissioner, Information Technology

- Disaster Supplemental Nutrition Assistance Program (D-SNAP) Portal
 - New Disaster Supplemental Nutrition Assistance Program (D-SNAP) Portal, which allows Georgians recovering from disasters to request and receive D-SNAP benefits more easily
- SHINES Re-platform
 - Upgrades software of Georgia SHINES to the latest technologies
 - Re-platform will go live in Summer of 2024
- BOTS: Automation for data entry
 - Robotic process automation (RPA) streamlines workflows by automating tasks
- ARGO Placements
 - Argo Placements facilitates communication between service providers and DFCS case managers to better serve families and children by supporting the placement finding process
