CITIZENSHIP IMMIGRATION STATUS AND SOCIAL SECURITY NUMBERS:

Please fill out the chart below about the applicant and all household members. The following federal laws and regulations: [The Food and Nutrition Act of 2008, 7 U.S.C. § 2011-2036, 7. C.F.R. § 273.2, 45 C.F.R. § 205.52, 42 C.F.R. § 435.910, and 42 C.F.R. § 435.920](#), authorize DFCS to request you and your household members Social Security number(s). Anyone who is living in your household and is not applying for benefits may be treated as a **non-applicant**. Non-applicants do not have to give us information about their Social Security number, citizenship, or immigration status and are not eligible for benefits. Other household members may still be able to receive benefits if they are otherwise eligible. If you want us to decide whether any household members are eligible for benefits, you will still need to tell us about their citizenship or immigration status and give us their Social Security number (SSN). You will still need to tell us about **their** income and resources to determine the eligibility and benefit level of the household. We will not report any non-applicant household members to the United States Citizenship and Immigration Services (USCIS) Systematic Alien Verification for Entitlements (SAVE) system if they do not give us their citizenship or immigration status. However, if immigration status information has been submitted on your application, this information may be subject to verification through the SAVE system and may affect the household’s eligibility and benefit level. We will match your information with other Federal, state, and local agencies to verify your income and eligibility. This information may also be given to law enforcement officials to use to catch people who are running from the law. If your household has a SNAP claim, the information on this application, including SSN, may be given to Federal and State agencies and private claims collection agencies for them to use in collecting the claim. We will not deny benefits to applicant household members because other household members fail to provide their SSN, citizenship, or immigration status. If you are applying for emergency medical services only, you do not have to provide your SSN or information about your immigration status.

YOU ARE RESPONSIBLE FOR:

- giving your worker correct information and providing proof of statements needed to receive benefits. When you sign this form, you are giving your worker permission to get information from your employer, bank, neighbor, or others so we can make sure you are receiving the correct amount of benefits.
- telling the truth at all times. If you or someone who is applying for you provides incorrect information, you may be committing a crime, and you may go to jail.
- providing proof that you or anyone in your household applying for benefits is a U.S. citizen or eligible immigrant.
- cooperating with state and federal personnel who work for Fraud Prevention or the Office of Investigative Services and who are doing special case reviews. If you do not cooperate and we cannot determine that you are still eligible for SNAP, your case may be denied or closed.
- (for SNAP) cooperating with Quality Control reviewers when they call or come to your home to interview you about the information you have given your case manager. If you do not cooperate with them, your case may be denied or closed.
- (for SNAP and TANF) repaying benefits you should not have received.
- (for Medical Assistance) cooperating with Medical Assistance Eligibility Quality Control or Program Integrity when they call or come to your home to interview you about the information you have given your case manager.
- (for Medical Assistance) members who are in a Nursing Home, Intermediate Care Facility, Community-Based Service, or are enrolled in and receive services through a waiver program, cooperating with Estate Recovery.

If you receive **SNAP**, you must report when your household's total monthly gross income is more than 130% of the Federal Poverty Level for your household size. You must report the change in income no later than 10 days from the end of the month in which the change occurred.

If you are a working adult that is NOT responsible for the care of a dependent child under 14 years old, you must report when your work hours are less than 20 hours a week or 80 hours per month. You must report these changes no later than 10 days from the end of the month in which the change occurred.

You must also report when your household receives substantial lottery and gambling winnings. This is a cash prize won in a single game. If you or a household member receives lottery or gambling winnings, in the gross amount of \$4500 or more (before taxes or other amounts are withheld), you must report these winnings no later than 10 days from the end of the month in which the household received the winnings.

If you receive **TANF or Medical Assistance**, you must report **all changes** in your situation within 10 days of the change occurring.

I understand that any lump sum or "windfall" payment that any person in my Medicaid case receives must be budgeted, along with any other income that we might have, to determine eligibility.

In the **Medical Assistance** Program, you have a right to:

- Receive Medical Assistance even if you have other health insurance.
- Choose your Medical Assistance doctor or provider.
- Have your Medical Assistance application approved or denied within 10, 45, or 90 days from the date you apply, depending on the type of Medical Assistance.

As a condition of my Medical Assistance eligibility:

- I agree to assign to the State all rights to medical support and to payment for medical care from any third party (hospital and medical benefits).
- I agree to cooperate with the State in identifying and providing information to assist the State in pursuing any third party who may be liable to pay for care and services. I understand that I must report any payments received for medical care within ten days. (If you are completing this form on behalf of another individual and do not have the power to execute an assignment for that individual, the individual will need to execute an assignment of the rights described above as a condition of his/her eligibility for Medical Assistance).
- I agree to give the State the right to require an absent parent to provide medical insurance, if available. I understand I must get medical support from the absent parent if it is available and must cooperate with the Division of Child Support Services in obtaining this support. If I do **not** cooperate, I understand I may lose my Medical Assistance benefits and only my children will receive benefits unless good cause is established.

SNAP PENALTY WARNINGS: You may lose your benefits or be subject to criminal prosecution for knowingly providing false information.

- Do not give false information or hide information to get benefits that your household should not get.

- Do not use SNAP benefits to buy nonfood items such as alcohol or cigarettes or to pay on credit cards.
- Do not trade or sell SNAP or EBT cards for illegal items, such as firearms, ammunition, or controlled substance (illegal drugs).

If you or any household member is found to have given a fraudulent statement or representation with respect to identity (who they are) or place of residence (where they live) in order to receive multiple SNAP benefits, you or that household member will be ineligible to participate in SNAP for a period of 10 years.

I understand that if I give false information or withhold information, I may be prosecuted for fraud.

TANF PROGRAM PENALTY WARNINGS: In the TANF Program, an intentional action by providing false or misleading information to establish or maintain an AU's eligibility, increase benefits, prevent a decrease in benefits, withholding information to avoid a negative action or using the cash assistance at prohibited places is considered an Intentional Program Violation.

Help for People with Disabilities

The Georgia Department of Human Services and the Georgia Department of Community Health (“the Departments”) are required by federal law* to provide persons with disabilities an equal opportunity to participate in and qualify for the Departments’ programs, services, or activities. This includes programs such as SNAP, TANF and Medical Assistance.

The Departments provide reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access. To ensure equally effective communication, we provide persons with disabilities or their companions with disabilities communication assistance, such as sign language interpreters. Our help is free. The Departments are not required to make any modification that would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens.

How to Request a Reasonable Modification or Communication Assistance

Please contact your caseworker if you have a disability and need a reasonable modification, communication assistance, or extra help. For instance, call if you need an aid or service for effective communication, like a sign language interpreter. You may contact your caseworker or call DFCS at (877) 423-4746 or the DCH Katie Beckett (KB) Team at 678-248-7449 to make your request. You may also make your request using the DFCS ADA Reasonable Modification Request Form, which is available at your local DFCS office or online at <https://dfcs.georgia.gov/adasection-504-and-civil-rights>, or you may obtain the DCH ADA Reasonable Modification Request Form at the KB office, online at <https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett>, or you may email your modification request to DCH.ADAassistance@dch.ga.gov.

How to File a Complaint

You have the right to make a complaint if the Departments have discriminated against you because of your disability. For example, you may file a discrimination complaint if you have asked for a reasonable modification or sign language interpreter that has been denied or not acted on within a reasonable time. You can make a complaint orally or in writing by contacting your case worker, your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 47 Trinity Avenue SW, Atlanta, GA 30334, (877) 423-4746. For DCH, contact the KB Team ADA/Section 504 Coordinator at 2211 Beaver Ruin Road, Suite 150, Norcross, GA 30071 or P.O. Box 172, Norcross, GA 30091, (678) 248-7449. The DCH email is: dch.adarequests@dch.ga.gov.

You can ask your case worker for a copy of the DFCS civil rights complaint form. The complaint form is also available at <https://dfcs.georgia.gov/adasection-504-and-civil-rights>. If you need help making a discrimination complaint, you may contact the DFCS staff listed above. Individuals who are deaf or hard of hearing or who may have speech disabilities may call 711 for an operator to connect with us. The email for DCH Civil Rights complaints is: dch.civilrights@dch.ga.gov. The link for the DCH Civil Rights process and complaint form is located at: <https://dch.georgia.gov/adasection-504-and-civil-rights>.

You may also file a discrimination complaint with the appropriate federal agency. Contact information for the U.S. Department of Agriculture (USDA) and U.S. Department of Health and Human Services (HHS) is within the “Nondiscrimination Statement” included within.

**Section 504 of the Rehabilitation Act of 1973; Americans with Disabilities Act of 1990; and the Americans with Disabilities Act Amendments Act of 2008 ensure persons with disabilities are free from unlawful discrimination.*

Under the **Department of Community Health (DCH)** policy, the Medical Assistance programs cannot deny you eligibility or benefits based on your race, age, sex, disability, national origin, or religion.

Do Not Send Applications to the USDA or HHS

Nondiscrimination Statement

In accordance with federal civil rights laws and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex (including gender identity and sexual orientation), religious creed, disability, age, political beliefs, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Programs that receive federal financial assistance from the U.S. Department of Health and Human Services (HHS), such as Temporary Assistance for Needy Families (TANF), and programs HHS directly operates are also prohibited from discrimination under federal civil rights laws and HHS regulations.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language), should contact the agency (state or local) where they applied for benefits. Individuals who are deaf, hard of hearing or who have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

CIVIL RIGHTS COMPLAINTS INVOLVING HHS PROGRAMS

If you believe that you have been discriminated against because of your race, color, national origin, disability, age, sex (including pregnancy, sexual orientation, and gender identity), or religion in programs or activities that HHS directly operates or to which HHS provides federal financial assistance, you may file a complaint with the Office for Civil Rights (OCR) for yourself or for someone else.

Persons who need assistance with filing a civil rights complaint can email OCR at OCRMail@hhs.gov or call OCR toll-free at 1-800-368-1019, TDD 1-800-537-7697.
