PUBLIC NOTICE

Pursuant to 42 C.F.R. § 447.205, the Georgia Department of Community Health (DCH) is required to give public notice of any significant proposed change in its methods and standards for setting payment rates for services.

Private Rural Obstetrics (OB) Directed Payment Preprint (DPP)

Pending approval by the Centers for Medicare and Medicaid Services (CMS), the Department of Community Health proposes implementing a new hospital state-directed payment (DPP) program under Medicaid managed care, effective July 1, 2025.

The Department proposes implementing a new Private Rural Obstetrics (OB) Directed Payment Preprint (DPP) for private rural hospitals that deliver babies and provide other obstetric services. The Rural OB DPP payments represent a 152% increase to inpatient and a 219% increase to outpatient Medicaid managed care base payments, which does not exceed 100% of commercial reimbursement.

The following table reflects estimated SFY 2026 payments under the updated methodology:

	State Funds	Federal Funds	Total Funds
SFY 2026	$39,476,324 *	$78,012,735	$117,489,059

* Funded via provider payment

This public notice is available for review at each county Division of Family and Children Services office. An opportunity for public comment will be held on **July 16, 2025, at 3:30 p.m., via Zoom audio**. There will be **no in-person** attendance at the Department of Community Health (DCH).

Individuals who are disabled and need assistance to participate during this meeting should call (404) 656-4479 at least three (3) business days before the scheduled public hearing to ensure any necessary accommodations can be provided.
