THE SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP) IN GEORGIA

If you need help reading or completing this document or need help communicating with us, ask us or call 1-877-423-4746. Our services, including interpreters, are free. If you are deaf, hard-of-hearing, deaf-blind or have difficulty speaking, you can call us at the number above by dialing 711 (Georgia Relay).

WHAT IS THE SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM?

The Supplemental Nutrition Assistance Program (SNAP), formerly known as the Food Stamp Program, is a federally funded program that provides monthly benefits to low-income households to help pay for the cost of food. SNAP provides employment and training opportunities to recipients who want to participate in the SNAP Employment and Training (E&T) program. The program also provides nutrition education to low-income households to promote healthy eating and healthy lifestyles. SNAP outreach activities are provided through community partner agencies and the local community food banks.

WHAT IS A HOUSEHOLD?

A household may be one person living alone, a family, or several, unrelated individuals who live together and routinely purchase and prepare meals together. Certain family members or individuals who live together and do not routinely purchase and prepare meals together do not have to be included in the household. For those individuals, social security numbers, immigration status, and citizenship do not have to be provided to the caseworker. The decision of whether an individual must be included in the household is based on federal regulations.

WHO CAN APPLY FOR SNAP BENEFITS?

Anyone may apply for SNAP benefits. The program helps households that have limited income and resources. This includes households experiencing temporary crisis as well as households whose income is at or below the poverty level.

WHAT IS AN AUTHORIZED REPRESENTATIVE?

An authorized representative is a person your household allows to apply for, obtain, and/or to use SNAP benefits on behalf of your household because you are unable to do so.

WHERE DO YOU APPLY?

Each county has a Department of Family and Children Services (DFCS) office. This department takes applications for SNAP benefits.

The address and telephone number of Georgia DFCS offices can be found on the website of the Georgia Division of Family and Children Services (DFCS) at www.dfcs.georgia.gov/locations.

WHEN CAN YOU APPLY?

Most Department of Family and Children Services' offices are open Monday through Friday from 8:00 a.m. to 5:00 p.m. except weekends and holidays. However, office days and hours can vary by location. Days and hours of operation can be found online by visiting www.dfcs.georgia.gov/locations and selecting the office in your area. Online applications are available via the Georgia Gateway website at: www.gateway.ga.gov.

HOW DO YOU APPLY FOR BENEFITS?

To apply for benefits, the head of household, a household member, or an authorized person representing the household may complete a paper application, apply online or by phone. A paper application can be received from your local DFCS office, from the DFCS website, or by calling the Customer Contact Center at 1-877-423-4746 to request that an application be mailed to your home address. You may also call the Customer Contact Center to apply by telephone.

You may copy the blank application found on the website at: www.dfcs.georgia.gov/snap-food-stamps. Complete the form, mail, fax, or take it to your local county office.

HOW DO YOU APPLY FOR BENEFITS ONLINE?

You may also apply for SNAP benefits online via the Gateway website at <https://gateway.ga.gov/access/>. Applicants who create an account online may check the status of their application and may also check their eligibility for other DHS programs via the Gateway Pre-screening Tool. Additionally, Gateway allows SNAP recipients to report changes in household circumstances and to renew their benefits online.

WHEN IS AN APPLICATION CONSIDERED FILED?

An application is considered filed when the application has the name of the head of household, address, date, and signature of the head of household, another household member, or an authorized representative (AREP) and is received by the local county office. An application can be filed at your local county Department of Family and Children Services, but any Department of Family and Children Services can accept your application. You

should try to complete the entire application. It is **very** important that you give your telephone number and/or address so that DFCS can reach you by phone.

WHAT HAPPENS ONCE THE APPLICATION IS FILED?

You, a household member, or someone authorized to make an application for your household, an Authorized Representative, must be interviewed by a caseworker from DFCS. The individual who is interviewed must know about your household situation. For elderly/disabled individuals or individuals experiencing problems coming to the office, the interview may be completed by telephone, a pre-arranged home visit, or an office visit. Contact your local county office to find out about interviews.

WHAT HAPPENS IN THE INTERVIEW?

The caseworker will ask you questions about your household's income, resources, rent or mortgage, and utility expenses. Certain households may also be asked about medical expenses, childcare and child support expenses. Proof of your household situation is necessary, so if you have the following information, you may bring it with you:

- ❖ proof of your identity
- ❖ proof of your citizenship such as birth certificate, U.S. passport, hospital record, etc.
- ❖ immigration papers for persons applying for benefits, who are not U.S. citizens
- ❖ social security numbers for persons applying for benefits
- ❖ proof of income for each household member (check stubs, award letters for social security or veteran's administration, unemployment benefits, contributions from family or friends, child support, etc.)
- ❖ last month's rent receipt or mortgage payment book
- ❖ medical bills for persons aged 60 and older and/or disabled
- ❖ childcare receipts for children whose parents are working, in school, or in training
- ❖ additional information and proof may be required depending upon your situation.

If you do not have all the information when you first apply, you are given 10 calendar days from the date of the interview to provide the required proof.

The interview is an official and confidential discussion of the household's circumstances. The interviewer must not simply gather and review information but must explore and resolve unclear or incomplete information.

If an individual in your household does not want to give us a social security number or information about immigration status or citizenship, the individual will not be eligible for SNAP benefits. Other household members may still be eligible for benefits.

An individual is not reported to the Department of Homeland Security, United States Citizenship and Immigration Services, for choosing not to give a social security number or immigration status.

ARE YOU ELIGIBLE?

YOU MAY BE ELIGIBLE FOR SNAP BENEFITS IF:

- you are a citizen of the United States or have a certain legal alien status
- you provide all of the required documents as proof of the household's situation
- you and/or other household members comply with work requirements
- the household's monthly income does not exceed the income limits based on the number of people who live in the household
- the rent or mortgage payment, utility bills, and in some cases medical, childcare and child support expenses are considered in the eligibility determination process if proof of these expenses are provided.

HOW LONG DOES IT TAKE TO GET SNAP BENEFITS?

The application must be processed and benefits available within 30 days from the date the application is filed. If your household has little or no income and meets specific criteria, the application must be processed and benefits available within 7 days. A notice is sent to each household stating whether the household is eligible for SNAP benefits. If eligible, the notice states the amount of benefits the household will receive and how long the household will receive benefits before having to reapply.

HOW MUCH WILL YOU RECEIVE?

The amount of benefits your household receives depends upon the number of individuals in your SNAP household, the amount of household income and the amount of deductions used in the budgeting process. The date of application affects the amount of benefits received by the household in the first month. As long as your household remains eligible, benefits are provided each month. Benefits remaining in your EBT account can be obtained until they are used up even if your SNAP case closes.

Note: If there is no EBT card activity by the household after 9 months, the remaining benefits will be removed from the account one month at a time. Any activity (debit or credit) initiated by the household will stop the benefit removal process until another 9 months of inactivity.

HOW LONG DO YOU GET SNAP BENEFITS?

If eligible, your household can receive SNAP for one month up to three years before reapplying. In the last month of the certification period, your household will receive a renewal reminder notice from DFCS. The letter tells you that your certification period is about to end and that your household must reapply.

If your response to this letter is timely, your benefits will continue if you comply with the renewal process and your household is still eligible. Your benefits will stop if you do not comply with the renewal process or if your household is determined to be ineligible for continued benefits at renewal. The renewal process includes submitting a renewal application, conducting an interview if required, and providing any required verification in a timely manner.

HOW ARE SNAP BENEFITS ISSUED TO YOU?

Benefits are issued using an electric benefit transfer (EBT) card and Personal Identification Number (PIN).

If you are eligible for benefits and have never received as the head of a household, an EBT card will be mailed to you. The household uses the EBT card in authorized stores to purchase food. When the total amount of the food benefit purchase is determined at the checkout counter, you swipe your EBT card through a point of sale device and enter your PIN number. The amount of the purchase is deducted from your total monthly allotment.

WHEN ARE BENEFITS AVAILABLE TO THE HOUSEHOLD?

Benefits are credited to the EBT account from the 5th through the 23rd of each month. To access your benefits, you need your EBT card and PIN. If your EBT card is lost or stolen or you forget your PIN, call the EBT customer service help line at 1-888-421-3281. Your lost or stolen card will be canceled. A new EBT card and/or PIN will be issued to your household. To obtain information online about your EBT account, log on to www.ebt.acs-inc.com.

Using your card number and Personal Identification Number (PIN), you can:

- Check your current account balance
- Review your transaction history
- Change your PIN
- Contact Customer Service

You must have your card number ready to access your information. Remember to keep your EBT card and PIN in a safe place. If someone gets your EBT card and PIN, that individual is able to obtain your benefits. Benefits taken from your EBT account are **not** replaced by DFCS.

WHERE CAN YOU SPEND SNAP BENEFITS?

Food stores which are authorized by the United States Department of Agriculture (USDA), Food and Nutrition Service (FNS) may accept EBT transactions to purchase food. Most stores provide signs to indicate that SNAP benefits may be used to purchase food products.

WHAT IS PURCHASED WITH SNAP BENEFITS?

Benefits may only be used to buy food and plants or seeds that grow food, for your household to eat. Certain food supplements such as Ensure may be purchased with SNAP benefits. Ice, water, and cold or room temperature foods, which are not designed to be consumed in the store, may be purchased with SNAP benefits.

WHAT IS NOT PURCHASED WITH SNAP BENEFITS?

SNAP benefits cannot be used to buy alcoholic beverages, cigarettes or tobacco, household supplies such as soap and paper products, medicines, vitamins, pet foods, or any non-food items.

- If you are an adult between the ages of 18-54 with no children, you must report when your work hours are less than 20 hours a week, averaged 80 hours per month, no later than 10 days from the end of the month in which the change occurred.

If you or a household member receives lottery or gambling winnings in the gross amount of \$4500 or more (before taxes or other amounts are withheld), you must report these winnings no later than 10 calendar days from the end of the month in which the household received the winnings.

Your caseworker will explain this requirement to you. You may report changes to the DFCS Call Center at 1-877-423-4746 or at <https://gateway.ga.gov/access/>.
