Tell us about all the family members who live with you. If you file taxes, we need to know about everyone on your tax return. (You don't need to file taxes to get health coverage).

DO Include:

- Your spouse
- Your children under 21 who live with you
- Your unmarried partner who needs health coverage
- Anyone you include on your tax return, even if they don't live with you
- Anyone else under 21 who you take care of and lives with you

You DON'T have to include:

- Your unmarried partner who doesn't need health coverage
- Your unmarried partner's children
- Your parents who live with you, but file their own tax return (if you're over 21)
- Other adult relatives who file their own tax return

The amount of assistance or type of program you qualify for depends on the number of people in your family and their incomes. This information helps us make sure everyone gets the best coverage they can.
