Express Lane Eligibility:

Express Lane Eligibility (ELE) is an automatic process to enroll or renew eligible children under the age of 19 who are receiving Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF), Refugee Cash Assistance (RCA), Child Care and Parent Services (CAPS), or Women, Infants and Children (WIC) into the Medical Assistance program.

The Division of Family and Children Services (DFCS) will use the household size, residency, and income information from SNAP, TANF, RCA, CAPS or WIC, but DFCS will verify citizenship or immigration status using Medical Assistance rules to make an ELE determination to automatically enroll or renew the children in Medicaid or PeachCare for Kids®. DFCS will send a determination notice once completed, let members make any changes and allow them to opt out of the ELE process or terminate the Medical Assistance case at any time.

Notice of ADA/Section 504 Rights

Help for People with Disabilities

The Georgia Department of Human Services and the Georgia Department of Community Health ("the Departments") are required by federal law* to provide persons with disabilities an equal opportunity to participate in and qualify for the Departments' programs, services, or activities. This includes programs such as SNAP, TANF and Medical Assistance.

The Departments provide reasonable modifications when the modifications are necessary to avoid discrimination based on disability. For example, we may change policies, practices, or procedures to provide equal access. To ensure equally effective communication, we provide persons with disabilities or their

companions with disabilities communication assistance, such as sign language interpreters. Our help is free. The Departments are not required to make any modification that would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens.

How to Request a Reasonable Modification or Communication Assistance

Please contact your caseworker if you have a disability and need a reasonable modification, communication assistance, or extra help. For instance, call if you need an aid or service for effective communication, like a sign language interpreter. You may contact your caseworker or call DFCS at (877) 423-4746 or the DCH Katie Beckett (KB) Team at 678-248-7449 to make your request. You may also make your request using the DFCS ADA Reasonable Modification Form 94A (Rev 05/2025)

Request Form, which is available at your local DFCS office or online at https://dfcs.georgia.gov/adasection-504-and-civil-rights, or you may obtain the DCH ADA Reasonable Modification Request Form at the KB office, online at https://medicaid.georgia.gov/programs/all-programs/tefrakatie-beckett, or you may email your modification request to DCH.ADAassistance@dch.ga.gov.

How to File a Complaint

You have the right to make a complaint if the Departments have discriminated against you because of your disability. For example, you may file a discrimination complaint if you have asked for a reasonable modification or sign language interpreter that has been denied or not acted on within a reasonable time. You can make a complaint orally or in writing by contacting your Form 94A (Rev 05/2025)

case worker, your local DFCS office, or the DFCS Civil Rights, ADA/Section 504 Coordinator at 47 Trinity Avenue SW, Atlanta, GA 30334, (877) 423-4746. For DCH, contact the KB Team ADA/Section 504 Coordinator at 2211 Beaver Ruin Road, Suite 150, Norcross, GA 30071 or P.O. Box 172, Norcross, GA 30091, (678) 248-7449. The DCH email is: dch.adarequests@dch.ga.gov.

You can ask your case worker for a copy of the DFCS civil rights complaint form. The complaint form is also available at https://dfcs.georgia.gov/adasection-504-and-civil-rights. If you need help making a discrimination complaint, you may contact the DFCS staff listed above.
